

March Newsletter

Happy St. Patrick's Day to all of M.L.C.

This month we will be reading stories about Dr. Seuss (The hair book) and a story on farm animals and three little bears.

Every day when I can, our babies like when we can sing songs such as twinkle, twinkle little star, somewhere over the rainbow, and little boy blue. Other things I recite daily are the A.B.C song and ten little monkeys jumping on the bed.

With nice weather approaching, soon we will take our daily walks for them to get some fresh air and sunshine. Please bring warm items and hats and label all your clothing.

Thanks to all parents for your kindness and please let us know if you have any questions or concerns.

Under 1 Year Old

Ms. Lana
